

# ADMET Predictor®

Accurate and actionable ADMET predictions rely on premium data and proven algorithms.

Choose your platform wisely!

Features + Functionality	Competitors	ADMET Predictor®
Diverse chemical data space for ionization model training	×	✓
Discovery PK predictions	×	✓
Data sources	Public	Proprietary partner + public
AI & ML capabilities	Add-on from partners	Developed in-house
HTPK capabilities	Add-on from partners	Developed in-house
Chemical space coverage	Pharma	Pharma + agro chemical
Userbase	Medicinal scientist	Medicinal, computational, & DMPK scientists
