

DILI-sim Initiative and RENAsym™ Consortium

Consortia Distributing and Developing Software for Predicting & Preventing Drug-Induced Liver and Kidney Injury

Dr. Paul B. Watkins

Director, DILI-sim Initiative;
Chair, Scientific Advisory Board

Join Today and Support Cutting Edge Research to Make Patients Safer!

Benefits of Stage 4 DILI-sim Membership

- Two global, floating end-user licenses to the current version of the DILIsym® software package
- Includes integrated GastroPlus® version, when available
- Licenses to an add-on feature of DILIsym that enables use of server/cloud parallel computing with unlimited nodes (upcharge for non-members)
- 31% discount on consulting services related to DILIsym
- 10 total hours of private training for employees of the Member company related to DILIsym use
- The right to vote on DILIsym software development items going forward
- Attendance at DILI-sim research, development, and software update meetings/discussions (typically held quarterly)
- Access to the DILIsym Discovery Support Program (DDSP), a Members-only, lower cost program for enabling internal software use

*Now includes **RENAsym™ Consortium** membership at no additional cost!*

RENAsym Consortium will further develop a model of acute kidney injury (AKI) - RENAsym™ software:

- Two global, floating end-user licenses to the current version of the RENAsym software package (upon initial release in 2021)
 - Includes integrated GastroPlus version when available
- Licenses to an add-on feature of RENAsym that enables use of server/cloud parallel computing with unlimited nodes (upcharge for non-members)
- 31% discount on consulting services related to RENAsym
- 10 total hours of private training for employees of the Member company related to RENAsym use
- The right to vote on RENAsym software development items after initial software release
- Attendance at RENAsym Consortium research, development, and software update discussions (typically held quarterly)
- Access to the RENAsym Discovery Support Program (DDSP), a Members-only, lower cost program for enabling internal software use

DILI-sim Stage 4 Membership (and RENAsym) Requirements:

- 3-year membership agreement (covers both consortia)
- Attendance at consortium meetings for both consortia is optional
- Public disclosure of membership in both consortia is optional
