## Importing a License File into a Flexera Licensing Server

If you are on the computer/server that the LMADMIN installation was performed on, you may navigate to the following URL:

## http://localhost:8090/.

If you are not on the computer/server that the LMADMIN installation was performed on, you may navigate to the following URL (replacing hostname with the hostname of your computer/server that contains the LMADMIN installation):

http://hostname:8090/

Click on "Administration" in the upper right hand corner.

| ₩FlexNet Publisher* | Pashtz ed Administration                              |
|---------------------|---|
| Alerts              | Licenses  |
| 0 Critical          | Product Version Detached (Total) Overdraft Expiration |
|                     |   |
|                     |   |
|                     |   |
|                     | ©2014 Flexera Software LLC. All Rights Reserved.      |

You will be prompted for the "User Name:" and "Password:". Enter "admin" in both fields and click on submit.

| Sign In       |  |
|---------------|--|
| User Name:    |  |
| admin         |  |
| Password:     |  |
| •••••         |  |
| Submit Cancel |  |
|               |  |

You will be prompted to change the password. We recommend that you continue to use "admin". Thus, enter "admin" for all of the passwords. Then click "Save", followed by "OK" on the ensuing dialog box.

| Change Pass      | word         |      |  |
