SimulationsPlus

Upcoming Workshops

DILIsym
2-Day Training Workshop
September 11-12 | Research Triangle Park, NC
On-site and remote attendance available!

DILIsym Services
A SIMULATIONS PLUS COMPANY
simulations-plus.com/workshops#rtp

NONMEM / KIWI
Population PK Data Analysis Workshop
Mainz, Germany | September 23-25
Johannes Gutenberg University Mainz

Register online! simulations-plus.com/workshops

GastroPlus
PBPK Modeling & Simulation Workshop Week
Mainz, Germany | September 23-27
Johannes Gutenberg University Mainz

Register online! simulations-plus.com/workshops

ACoP
AMERICAN CONFERENCE ON PHARMACOMETRICS
FREE **Workshops** Register soon!
October 19-22 | Orlando, FL

Applying MAM/PBPK Modeling to Predict Positive/Negative Food Effects: Approaches and Special Considerations
October 19, 8:00 AM to 12:00 PM
This workshop is FREE for ACoP attendees only.
